Camelback will be once again offering custom barcoded coupons that will be personalized to your department. Customers will pick-up a custom coupon at your department office and take the coupon to the Camelback ticket window to purchase their ticket at the discounted price. The customer will be purchasing the ticket directly from Camelback, but your department will continue to receive a commission for each ticket sold. Unlike our other consignment tickets, the coupon has no monetary value, so it can be left on a counter or brochure rack. Coupon scans may NOT be posted on websites this year.
