<p>NEW this year: Camelback has discontinued the online promo code discounts and will instead be printing barcoded paper coupons that will be personalized to your department. The customer will pick-up a custom coupon at your department office and take the coupon to the Camelback ticket window to purchase their ticket at the discounted price. The customer will be purchasing the lift ticket directly from Camelback, but your dept. will continue to receive a commission for each ticket sold. Unlike our other consignment tickets, the coupon has no monetary value, so it can be left on a counter or brochure rack. The custom barcoded coupon can be scanned and uploaded to your website for customers to print and take to Camelback.</p>
