**Land Management Plan for Acorn Park**

Reviewed the proposal provided by the Allegheny Land Trust. A representative of ALT was in attendance to present the proposal and answer questions. At the invitation of the EAC, a member of the Little Sewickley Creek Watershed Association was in attendance to provide input and discuss potential involvement that the group may provide.

EAC to share Borough Comprehensive Plan with ALT.

LSCWA to share their assessment work of park with ALT.

LSCWA offered to provide volunteers as available to assist with Land Management Plan implementation.

The EAC voted to recommend approval of the proposal (including the additional research phase totaling \$4500) to Council.

The meeting was adjourned at about 8:30PM.
