

RECYCLING

Franklin Park is happy to be pro-active in providing recycling options that are not available curbside to our residents.

YARD WASTE

Curbside brush chipping and leaf collection service is offered twice a year, in April and November. We also have **Yard Waste and Leaf Bag Drop Off Sites** located at Blueberry Hill Park.

The Yard Waste Drop Off Site is to only be used for items such as tree or brush trimmings and weeds. Disposal of entire trees is prohibited. The same restrictions apply to both curbside brush chipping and the drop off site; only trimmings that are up to 4" in diameter can be accepted. Grass cannot be placed at this site. It can be placed in black plastic bags and put out with your weekly trash.

The Leaf Bag Drop Off Site is to only be used for leaves placed in brown biodegradable bags only. No exceptions.

The sites are open from March 1 to December 1 each year and are for residential disposal only, commercial use is prohibited. A (free) permit is required. Visit our website at www.franklinparkborough.us to find out more and to **submit the permit application online**.

GLASS RECYCLING

Glass is not allowed in your Waste Management curbside recycling can. A glass recycling bin has been placed in the parking lot at the rear of the Municipal Building. The bin can be used by our residents and the surrounding communities.

The large, blue collection bin is a self-serve drop off, available daily from 8:00 am – sundown.

Accepted glass: bottles, jars, jugs. No need to separate colors and the labels can be left on.

Not allowed: glass vases, dishes, glassware, windowpanes, light bulbs, mirrors, etc. and please don't leave the bags or boxes that you used to carry your glass recyclables in or around the bin.

CORRUGATED CARDBOARD RECYCLING

There are two large containers located in the lower side parking lot of the Municipal Building. These containers provide access on both sides through three access doors. We encourage you to use them for boxes that do not fit in your curbside recycling can. Remember these containers are for corrugated cardboard only and all boxes must be flattened. Obey all the rules ... no packing material, Styrofoam, plastic, or pizza boxes, etc.

HOUSEHOLD HAZARDOUS WASTE

Waste Management provides a service called **AT YOUR DOOR Special Collection** as part of their residential solid waste and recycling contract with Franklin Park Borough. You can set up a pick-up date for items such as televisions, computer systems, paint, garden chemicals, batteries, etc. by calling 1-800-449-7587 or going on-line at www.wmatyourdoor.com.
