

Attention: Residents of Franklin Park

WM will continue the collection of residential trash and recycling collection for Franklin Park Borough in 2026. For customer service, please call:

WM at 1-800-866-4460 or visit www.WM.com to chat live with a representative.

All trash and recyclables are picked up weekly and must be placed at the curb by 6:00am to ensure pickup.

- **Curbside Unlimited Service: \$25.33/month**
- **Rear Yard Service: \$37.38/month**

Optional Senior Citizen Sticker Service: Senior Citizens (age 65 and over, must provide proof of age) have the option of purchasing stickers at a cost of \$2.91 per sticker instead of participating in the unlimited service program. Stickers are available for purchase by calling Waste Management customer service. Stickers must be placed on the top of each bag placed at the curb for pick up. Any item placed out for pick up that does not have the appropriate sticker attached is subject to an additional charge. To have a bulk item collected, you must call WM to schedule a pickup. Bulk fee charges will apply. This service includes recycling.

Optional Non-Senior Sticker Service: Sticker service is also available to non-senior citizens who only generate a small amount of trash at a cost of \$3.87 per sticker. Stickers are available for purchase by calling Waste Management customer service. Stickers must be placed on the top of each bag placed at the curb for pick up. Any item placed out for pick up that does not have the appropriate sticker attached is subject to an additional charge. To have a bulk item collected, you must call WM to schedule a pickup. Bulk fee charges will apply. This service includes recycling.

Reminder: Tires, wood, or yard waste (except grass in plastic bags) and electronic waste such as computers and TVs cannot be placed out for curbside pickup.

Household Hazardous Waste (HHW) – At Your Door Service: As part of the residential solid waste and recycling contract with WM, you can now safely, easily and responsibly dispose of household generated hazardous waste. See the flyer included in this package of information for a complete description of the program and a list of acceptable materials. Do not call the WM customer service number used for solid waste/recycling service. For HHW At Your Door Service call: 1-800-449-7587).

“Snowbird” Clause: Customer who temporarily leave their permanent residence during the winter months shall be permitted to cancel service temporarily between November 1 and March 31st for a period not to exceed 5 months. Request for this exception must be made in writing to WM at least 30 days prior to the requested date to stop service. Include an approximate return date in your letter. Customers must strictly adhere to the 30-day advance request in order to exercise this privilege.

Holiday Schedule: For the 2026 calendar year, the holiday schedule is as follows:

New Years Day – Thursday, January 1, 2026
Memorial Day - Monday, May 25, 2026
Independence Day – Saturday, July 4, 2026 (no delay)
Labor Day – Monday, September 7, 2026
Thanksgiving Day – Thursday, November 26, 2026
Christmas Day – Friday, December 25, 2026 (no delay)

** All services will be delayed by one day after each holiday except where "no delay" is noted.**

FREE YOUR RECYCLABLES

Due to global changes in the recycling industry and commodity markets, collecting quality recyclable materials is more important than ever. Waste Management needs your help to reduce recycling contamination. To launch this initiative, we are focusing on one of the biggest contaminants - bagged recyclables.

Don't Bag Recyclables - Place items directly in recycling container.

For more information, visit:
wm.com/recycleright

RECYCLE RIGHT

Attention Residents of Franklin Park Borough, Pennsylvania

Home Collection Program for Household Hazardous Waste (HHW) and E-Waste

As part of the residential solid waste contract with Waste Management, effective immediately, you have a convenient new opportunity to dispose of your household hazardous waste (HHW) - safely, easily and responsibly. Introducing the At Your Door Special Collection Program, a residential service offered by Waste Management to provide year-round collections for you.

HOW DOES IT WORK?

1. To Participate, you must set up a collection appointment.

There are two ways to schedule a collection:

- Go to www.WMAtYourDoor.com
- Call 1-800-449-7587 (Monday-Friday 8:00am-8:00pm Eastern Time)

Our representatives will guide you through the steps toward a safe and successful collection. You will be asked several questions, including your address and the type and amount of HHW available for the pick up. You will be provided a convenient collection date and information about where to place the containment bag for collection. A kit will be sent to your home in plenty of time for you to gather and pack your HHW.

2. Preparing for collection

The collection kit includes an instruction sheet and other items to help pack and secure your household hazardous waste (HHW). Please read and follow the instruction sheet included in the kit.

3. HHW is collected

On the scheduled date, the customer service technician will collect HHW directly from your home. They will sort and pack the HHW for proper transportation, recycling and disposal. Participants will receive a postage-paid survey card to complete and mail back to help track the program.

4. You have more HHW than will fit into the Kit?

Remember, this service is available year-round. Just schedule another collection! Small quantities may be combined with your neighbors. Representatives are available from Monday - Friday 8:00 AM - 8:00 PM ET. Leave a message after hours, weekends and holidays. Email us at: AtYourDoor@WM.com

Managing Household Hazardous Waste: The best method of managing Household Hazardous Waste (HHW) is to prevent its generation in the first place. This involves selecting the least toxic item "to do the job" and buying only the minimum amounts necessary. Buying in large quantities is not a bargain if half of it has to be discarded. In the future, please consider buying environmentally friendly products.

Did You Know?

Latex paint is not a hazardous waste. It can often be donated to community groups and other organizations for re-use. Please consider this option before disposal.

Used motor oil is not hazardous, but may pollute our groundwater, waterways and soil if not properly managed. Many automotive stations, auto parts and supply stores will accept used motor oil for recycling.

Automotive batteries may be exchanged at the place of purchase. Many battery retailers offer recycling even if you are not purchasing a new battery. In some cases, there may be a charge. Some scrap yards will also purchase lead acid batteries.

For more information on HHW, visit DEP at www.dep.pa.gov or at www.pa.gov
